

La escritura es la única disciplina que puede enseñarse  
a sí misma con la materia de la que está hecha.  
Este libro es una manifestación de amor por las letras,  
una forma sensible de transmitir su libertad.  
Las letras son forma que cobra vida en todos los espacios.  
Aprender de ellas es, en cierto modo,  
poner de manifiesto la voluntad de expandir el mundo.  
Ave sedario es una forma de seguir, al pie de la letra,  
un mapa alternativo para soñar.

Que lo disfruten tanto como lo hice yo al realizarlo.
